

Superintendent's Corner
February 2007

Last Friday the district presented an offer to the Moreland Teachers' Association. Information is posted on the Moreland School District website. Go to Info and News, FAQ's, then [MTA Negotiations](#) for the most recent information. We are limited in the kind of information we can share during the negotiation process. We are working diligently to reach an agreement that is beneficial for teachers and maintains financial solvency for the district.

The District will hold a Town Hall meeting on the [Preliminary Offer of Facilities for the Discovery Charter School](#). The meeting will be on March 5, 2007, from 6:30-8:30 p.m. in the multiuse room of Moreland Middle School. The District will provide information from which it will prepare the preliminary offer. The audience may submit questions which the district will answer on its website.

The district has formed a committee to create a [communications plan](#), to ensure ongoing successful communication with all elements of the Moreland School District Community. This plan will also address the District's goal this year "to improve communications with the community, staff, and high school district." The committee includes two board members, administrators, teachers, classified staff, and community members. The draft of the plan will be shared with all staff and the district's Community/Board Advisory Committee (CBAC) for suggestions. The final plan will be presented to the Board of Trustees for their approval.

Moreland School District was recognized by Second Harvest Food Bank for its contributions to their holiday food drive.
